#### **Make the Following Proposal**

Various constitutional changes due to outdated rules, example Immediate Past President is an  
executive committee member for the year following their term! This is not enforced and they can  
move to the general committee if elected and they wish to. Numerous other changes to  
constitution and fishing rules, mostly tidy up but some affect our current operation.

By Laws & Constitution attached with marked up changes to be discussed at AGM.

---

#### **Rationale**

Tidy up historic rules in both BY Laws and Constituion many dont apply or are now  
contradictory and dont promote the sport. Plan to read through each change and amend according  
to those in attendances wishes.

Over arching plan is to make this easier for members to understand and fish more frequently.
